MOTORCYCLE CLUB

NORTHEASTERN OHIO CHAPTER #89

2011

Ridin' for the Kids!

A helping hand to young people injured in fire related accidents

Our primary
beneficiary is:

JOIN US! JUNE 5TH 2011

Help us help them...

Our club is an Area Chapter of the Nationally recognized Wind and Fire Motorcycle Club. This is an organization made up of active and retired firefighters who focus on raising money for children who have been injured in fire related accidents. Wind & Fire consists of 165 chapters across 20 countries with over 4000 members.

Our chapter's beneficiary is ACBC (Aluminum Cans for Burned Children) which operates out of the Akron Children's Hospital Burn Unit. Donations and raised proceeds will send these affected children to a special summer camp and will also be used for purchasing specialized burn garments to aid in the healing process. Proceeds raised by our club goes to ACBC.

Thanks to this generous community, in 2003 we raised \$5,010, in 2004 we raised \$19,460 and in 2005 an amazing 21,500 That's the most raised by any Wind & Fire Chapter in the world! In 2008 we raised \$6,000.

With your help, this year we hope to send more of these deserving kids. Ride, donate money or help any way you can. All we ask is that you get involved for the children's sake. Thank you in advance for putting a smile back on their faces! We hope to hear from you soon...
